*Bevelled and Stained Glass
for Windows and Doors*

The CareyGlass Rainbow Collection

Stained glass, or decorative glass, is a very fashionable and stylish solution in the lighting of contemporary and traditional interiors.

Carey Decorative Glass has, for many years, been to the forefront in embellishing windows and doors of homes and businesses throughout Ireland.

This new catalogue illustrates our ongoing commitment to extending our decorative range through the creation and development of new designs and styles.

Our new range of decorative glass enjoys all the benefits of improved glass technology, including our revolutionary acrylic resin processing.
